PCSB

Procurement & Contract Sdn. Bhd. (PCSB) is a company specializing in the trading and distribution of building materials. The company has for many years steadily built up a reputation to offer quality building materials from well known and reputable companies at competitive prices.

PCSB is able to provide a one stop solution for any building or construction project. We are committed to working closely with our customer to ensure that their requirements are met with utmost minimum problems or disruptions. We place very strong emphasis in providing our customers with good and prompt service.

As such, we are proud to have been involved in supplying building materials to numerous and prestigious projects in Malaysia both in private and Government sectors. Our involvement include infrastructure and building projects.

Our range of products include:
Steel Product, Roofing Materials, Cement/Concrete, Pipes & Fittings, Precast Concrete Products, Insulation Materials, Timber Products, Bricks & Pavers, Water Storage Tanks, Kitchen Sinks, Sanitaryware, Tap fittings, Bathroom Accessories, Wall & Floor Tiles, Other General Building Materials.
